

A CELEBRATION OF TWELFTH NIGHT 2025

The Chorus of Westerly

Northlander and Finnwoman Side

Finn Woman:

It is because of the diamond which you yourself bear.

Northlander:

That precious stone acted as a powerful lock on the Ice Queen's power. It kept her contained to the dark time of the year.

Finn Woman:

But when Jan took it, The Ice Queen was unchained.

Northlander:

Soon, she will release her winter fully, freezing all the world.

Finn Woman:

The diamond, it *must* be placed into the gate once more.

Northlander:

But from this point forward, the Ice Queen will use *all* her power to try to halt your progress, to prevent this from happening.

Finn Woman:

She is terrible and mighty, but also capricious and vindictive. She will have seen you by now and will know you intend to save Jan and everyone else. She *will not suffer* a challenge to her power.

Northlander:

It is *you* who must do this thing. It is *your* village where the Queen chose to begin her conquest of the world. It is *your* love, Jan, the Ice Queen has taken. You are now linked. It is *you* who must continue onward, close the gate and seal away her power.
